COMPANY PROFILE

ABOUT OUR COMPANY

Stixo is a direct importer and prominent supplier of signage material to the visual communication and construction industry. The company caters for printing, signage, branding and architectural businesses, as well as re-sellers.

Being a solitary owned and managed company, we ensure swift decision making and individualized service to our clients.

Since inception, Stixo has always been on a mission to be a reliable and trustworthy supplier to the ever-growing signage industry, prioritizing the importance of always being well stocked across all categories. Providing top notch service to all customers has consistently been the company's motto. Being direct importers, the range of products offered by the company are of trusted quality ensured by our expert research and procurement team. Stixo's pricing strategy has perpetually been aggressively competitive.

Stixo's always ready to service sales and logistic team is made up of competent and efficient staff with excellent product knowledge and technical expertise to guide and assist our customers where needed. We deliver nationwide and facilitate export sales for our cross-border clients, while also catering for collection and courier services.

Our esteemed and trusted bulk buyers have always awarded the company with a five-star rating for service and product quality, pricing, and stock availability.

Stixo has come a long way since establishment and are proud to have reached many key milestones along the way and have cemented the path to achieving our vision of becoming a one stop shop, being in a position to meet our clients demands.

We have also embarked on a new and exciting partnership with 3A Composites. 3A Composites is a market leader in the manufacturing of extruded and cast acrylic sheets, composite panels as well as core materials for composite structures. Our commitment to excellence compels us to invest fully and thus develop a close business relationship with our supplier.

This partnership will undoubtedly broaden the scope of what is currently available to the industry, with STIXO now supplying PERSPEX® XT and CRYLUX® products to its customers.

We are a truly passionate team at Stixo, with a solid foundation in place to keep up with the high demands of the industry and to be a market leader for quality signage material and branding equipment. We are aggressively involved within the industry and recognise the importance of keeping it alive and thriving.

Stixo has committed to being a Platinum sponsor for all the signage and print expos across South Africa including the Sign Africa FESPA exhibition taking place in September 2023 and a proud Gold sponsor for the biennial GAPP Awards for 2024.

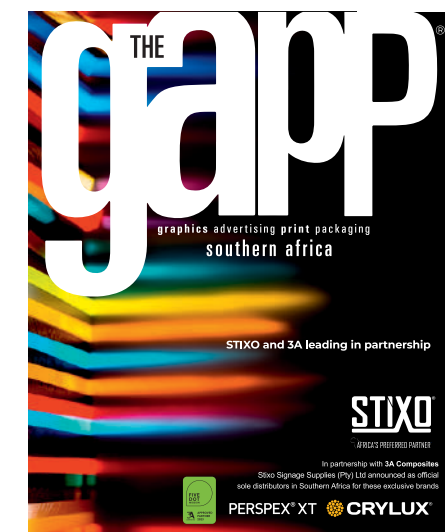

The company's website allows for easy browsing of our products as well as detailed specifications regarding our extensive range of digital print media, branding equipment, signage material, digital textiles, rigid substrates, and sublimation blanks.
