

STIXO SIGNAGE SUPPLIES is a young company with a vision to become a leading supplier of quality signage materials in the Southern African Region including all SADC countries.

STIXO ensures participation in all major signage exhibitions, including SIGN AFRICA Johannesburg.

Our product range consists of large format digital media, display systems, substrate rigid sheets and corporate gift blanks.

The range of products we supply are mainly internationally sourced by our expert Procurement and Research & Development teams who have a vast knowledge of import and export trade. As a result, STIXO is able to provide clients with competitive market related pricing without compromising on quality.

Our dedicated sales team endeavours to assure customer satisfaction in every transaction, be it a local or cross border sale.

The company's esteemed and trusted bulk buyers have always awarded the company with a 5-star rating for product quality, pricing and stock availability.

STIXO caters for printing and signage companies, as well as re-sellers. Being strategically located in the heart of Johannesburg, we offer free delivery service for orders in the Johannesburg and Pretoria region, and charge a subsidized fee for country wide orders.
