PRODUCT CATALOGUE 2022

STIXO[®]
SIGNAGE SUPPLIES

STIXO SIGNAGE SUPPLIES is a young company with systems in place to become a leading supplier of quality signage materials in the Southern African Region, including all SADC countries.

We are importers and national distributors of large format digital media, display systems, substrate rigid sheets, corporate gift blanks and signage accessories. The company caters for printing, signage and branding businesses, as well as re-sellers.

The company's esteemed and trusted bulk buyers have always awarded the company with a five-star rating for product quality, pricing and stock availability.

STIXO is a solitary owned and managed company, ensuring individualized services to each client and swift decision making. We offer reasonably priced, quality brand-named and un-branded products.

A major differentiator is that our range of products are mainly internationally sourced by our expert procurement and research & development teams, who have a vast knowledge of import and export trade with substantial market awareness.

Being strategically located in the heart of Johannesburg, STIXO offers a free delivery service for orders in the Gauteng region (conditions apply). We are also able to deliver nationwide through our freight partners.

The company's website allows for easy browsing of our products and detailed specifications of each. We operate Monday to Saturday, guaranteeing to meet our clients demands with an always-ready-to-service sales team.

Our Vision

Our vision is to achieve a complete product range of the signage industry and become a one-stop supplier and solution provider to our existing and potential clients, always maintaining high stock levels of all products.

DIGITAL PRINT MEDIA

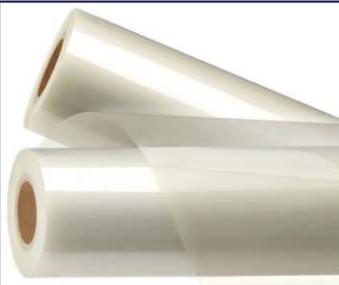

■ SOLVENT ■ ECO-SOLVENT ■ UV ■ LATEX

Stixo Signage Supplies has always made it a priority to stock the widest range of Digital Print Media for its discerning customers throughout Southern Africa. Our digital media products are of a high standard and are available in all grades of choices.

We endeavour to ensure that we are well-stocked on all digital media products, being in a position to provide quick and efficient service. Some of the brands we stock are exclusive to Stixo Signage Supplies and we pride ourselves in ensuring product quality, stock availability, media specifications and most importantly, competitive pricing on our range of products.
