Acuity Prime

The new blueprint for flatbed print ROI and benchmark platform for versatile print production. A true flatbed with a unique, exceptional design and high value, the Acuity Prime offers high-quality printing on a range of rigid and flexible media, supported by its five dedicated vacuum zones and jettable primer. This range is available at a cost-effective price point and offers an excellent return on investment.

1.2 x 2.5m, up to 150 m²/hr

Summa

Summa's series of vinyl, flatbed cutters helps companies to finish their applications to the highest standards.

CALDERA

Caldera is perfect in workflow, ripping, printing, cutting and packaging.
